Dearest Honeybunch.

I can't say as how I am inclined to write tonight would much rather you be here + see but I had a fine trip today I think you got off too easy I had two blow outs + had to pump up a tire + all by myself I can't say much about my trip in yesterday but I sure near went to sleep a dozen times I just can't write tonight I am going to write all in the morning. See but its cold in this Palace. Say what do you think Dunaway is going to try + charge Grody + myself over a meal. If anything like that happens we are going to board ourselves. do you blame us? Then when you or Evelyn come down to see us you will have to help. (fine dope) I shall send my next letter by mail sure

I did happen to remember the shoes  
but they dont look like yours.

I have an idea. As soon as I get paid  
this mo. I shall get the apartments & have  
every thing ready & if needs be do some  
hatching in globe myself for they have raised  
the price of rats there. Breakfast (such as it is)  
is ready so I'll try & do better next trip

Lot's & Lot's of love & kisses

As ever your poor dear boy
