My Dear Joe
I dont know but what
I should have a fight with you
Dont get mad at what I say. But
do you think you are doing
right by me I dont mind your
going out & having a good time
but see dear I think you
could take time at least to ans
my letters. I must be feeling
shut or something this afternoon
But Ill forgive you this time
if you will do the same for
what I just wrote. It kinds of
begins to look like Ill have to
rent a car for sat. no mail
to speak of. I spoke to a party
last night about getting his
car & he is to let me know
tomorrow so you see I cant let
you know any thing for sure

If you can get this all straight
O.K. I want to see you so
bad + can't so will finish
this sheet. This tent sounds like
a bee hive. We have the
lanterns kept up + I never saw
so many bees in all my life.
Some hot today. In fact so
warm I don't believe I have
ever felt it warmer I am almost
swimming. It appears as though
you are beginning to like horse
back riding. you can if you want
but I'll take a car for now
say if I come up in that car
but we shall have to take a
nice long ride somewhere
How about it I forgot to say
the Car is a Ford. But a nice
new one + look nice really nice
car unless it breaks down on me
and I'll tell you about that later
now we got to quit till next
time. Goodnight. Very pleasant dream
with love
Bye

this trip. But will the next
you see I can rent a car +
get 3 or 4 pairs + charge them
about 15⁰⁰ apiece + pay expense
or it might be 211 take a lay
off for a week for I sure don't
feel good. I want to go to papers
right now but can't. Haven't
felt like myself since I left
there. Say Elizabeth want to bring
you down sometime when she
come + you want to be sure +
come I just think it would be
a grand idea for you to come
down tomorrow + go on into globe
with me to spend Sat + Sunday
you will have to excuse me for
not writing more this trip but I
just can't. I can think of enough
but can't put it on paper. I think
of me ever in a while

With Love
as Ever

Excuse me dear if wrong
we said. I wrote the first of

This this ⁽³⁾ afternoon I didn't take
time to think. But have thought
now + am sorry so don't pay
any attention to it. Honest this
has been the longest week I have
ever spent in Ariz. seems as
~~though~~ but these never
come. You but to come home
down in Globe. Went to
another movie by myself.
That all a fellow can do
I think I shall have to find
me some company you seem to
have enough. But remember
what I said.

I actually believe I broke a
rib that night in prison
I'm going to see a doctor
tomorrow it is beginning to worry
me. And did I say I didn't have
co. For the last three trips I have
had two pairs in the front seat
two ladies today and all the way
from globe if this keeps up I am
liable to get acquainted + no
trouble.

AFTER 5 DAYS RETURN TO
ANGLER'S INN
BOX 2501
GLOBE, ARIZONA
