Nov 2-16

Dearest.

I dont know whether to
be mad or what. I didnt get any
letter not even a word. and it
make me feel bad. I thought
Mrs Inezia was kidding me when
she said there wasnt any for me
as kept stuf thinking maybe I
would get one when I got here
but still none. Please dear do it
again dear. I cant write much
tonight but must tell you the
good luck I had. I've got a car
to come up in week after next

real slavy one. I dont know
how it happen on anything else
but he is going to let me have it
for 2⁵⁰ a day + that is cheaper than
I could run one of my own +
cheaper than I could get Grady's.
this car is stripped like a race
just room for two. Our luck has
seem to change but lets not say
anything and say dear lets change
the date again to the 15th you see
Grady wont be there Thursday but
will wed. morning + it wouldnt
seem right to leave him out
So lets make it wed morning the 15th
will that be satisfactory. then we
can come on down here wed.
+ Thursday leave for El Paso + went

Have to get back till the 25th
Gee but that sound fine + I sure
am going to try + get things to turn
out that way. I haven't asked the
fare yet but am sure the trip would
cost more than 5000 + we can surely
afford that. I have been having
all kinds of day dream (Big time
just now its out by the hospital
somewhere) about our trip + we
have just got to take it. I wish
Paul would hurry + get back that's
the most of my worry just now
+ I would like to get the apt's
Now Dear this enough you try
your hand + Please don't miss again
With lot of love + care
As ever
Mary
