Dear I am not sick or any thing like that but it just seems like I cant feel good any more unless you are with me. I never felt better in all my life than I do tonight but still I there seem to be something missing. Im not satisfied this way try as hard as I do to be dearest I dont know whether I can stand this much longer or not. just as you said damn it I wish you were here.

Say my luck must be changing for I found my bill book + you can just bet I feel better after it + I also rec'd some money from a fellow I lent it to. lets hope its a good omen + changes are luck. Strange as it may seem Paul didnt have such an awful lot to say about my losing that money you tell me Floyd that if he dont be careful I'll get mad + tell on him if he dont behave himself. Lets hope no real a dream comes true. We do have some crazy ones around in

Dearest

And now I wonder again. What was said between you + your dad that you can't tell me about later but ^{not now} I guess I'll have to wait nothing I hope that will make any difference I hope is there dear? I don't think it right to start something + not finish it. But am going to hope your plans turn out right so when you come next wed I may be surprised. So long as you want me to forget about it though I'll try too.

Oh dearie I just hate to think of Sunday + have to spend it all by my lonesome I'm sure going to try + find something to do but guess this Sunday will go quicker as I have Wed. to look forward to wish you were here tonight. How I seem to miss you more + more every day. Had a dandy swim to night only wish you could of been here to enjoy it it sh - there were two girls down here in swimming also + Brady was in swimming with us. Now what do you think of that

A while, do you know I came very near
having another lady pass today with her
kid, she just didn't happen to show up thank
goodness. So I had the co of a nice man but
no trouble so as he could help me. Didn't
get out here till after 5 today but you watch
& see what time I'm here next wed. So it
seem like all I can do is sit here & think, I
can't write. I went to a picture show last night
with Roy I'm getting to be a reg movie fiend
Say do you know I just happened to think of
it today. I don't know what you think of
me but you remember my getting those shoes.
I had a dollar & a half left over & intended
giving it to you the first time I saw you
but I was so busy just forgot till today so
I going to keep it a little while longer till
I see you wed & don't let me forget to
give it to you. So after this whenever you
are good enough to let me get things

for you in town please remind me of the
change. Dear & guess you can tell you
daddy why I never said anything to him
earlier you? I had to leave there so soon
after I didn't get to say anything to anybody.
I must dear I want to see you so bad I

just can't write so please excuse this
this time + be sure + have real nice dreams
after this with lots + lots of love + kisses
No Ever yours.
