Dear Bryan

Received your two
letters today all O.K.
Evelyn gave me one
when they came in
this noon.

This is going to be
just a short note
as Mr Ellison is
going to take Fran and
I for a ride in a
fliver. H. and I
took a horse back
ride this afternoon
I enjoyed it very much
we went down to
Childers.

Yesterday I worked
hard & ironed almost
all afternoon

Mr Bryan Harrison
Angles Iron
Arizona

and went down
town in the evening
and had some ice
cream it sure
tasted good

I see but I am sure
sorry about your
chest I hope it feels
better now.

You certainly had
better come up here
Sat if you know
whats good for you
Sat. seems an awfully
long way off. but I
guess the time will
go fast. I hope so
Well by by for this
time dear as I am in
a hurry.

Love. from Jo.
