Dear Bryan

Now I wonder why
I didn't get a letter
today. Were you too busy
to write?

I am sending that
money this trip for
since I forgot to put
it in last time if
this isn't enough
I will send you

Mr Bryan Hall
Anglers D
Arizon

last in our new
house and it sure
seems good although
the house isnt finished
it seems much better
than the other one

you are coming up
next Tue. arent you?

Grady says the boys
that run the trucks
last year got some
one to take their place
so I dont see why
you cant do the same
you had better any
way because I sure

more but it ought to
be enough for those
kind of sleepers.

I am very busy sewing
and you dont deserve
a long letter this
time as I'm not
going to write very
much. I wrote such
a nice long letter last
time, I thought sure
I would get one in
return but when
I dont get any I
think things, maybe
Well dear we are at

will do ~~it~~ what I said I
would in my last
letter if you dont.

Well by by for this
time —

as ever —

Jo.

Well dear just a few more
lines. Evelyn and Brady
came up last night to
look at our house and
then we all went for
a ride, we sure had a

dandy ride Ev. and I
sat in the back seat
and Fran sat with G.
we sure had some
fun.

This is all for this
trip. I will be expecting
either two letters or one
nice great big letter
to arrive
love from Jo.
