Dear Bryan,

Just a line to let you know that it is raining here and Harley and Frances are sitting over in the corner. Harley is going to Globe in the morning and he said he would see you so I thought I would write you a little note and send it by him.

I went to a dance last night and had a very nice time Evelyn was there and we talked together quite a bit. I like her very

much, she sure is
jolly.

I trained before we got
home so I didn't get
home as soon as I
wanted to. I almost
forgot to tell you that
Francis Heron took
me. he and Elmer Piper
came up after supper
and wanted Aidan and
I to go Fran would
not go so I went with
out her. Harley has
been up here every
night almost this
week. I guess you
will see him once
in a while at Globe.
Well I will say good
by this time.

I thought maybe I would
hear from you today
but I did not, but
I got a nice package
from my Aunt Jo.
so that made me
feel better

I sure wish you were
here tonight

Good night pleasant
dreams. As ever
Jo.
