July 29, 1916.

Dear Bryan

Sat.

It is just 5 min. to 1
and I just got home from
the dance. I sure had
a good time I danced
every dance. and I
am awfully tired.

Now I suppose you
want to know who
took me home so
I suppose I will have
to tell you, Well it
was my friend Tom
Stuart. I had my
eyes on another fellow
but Fran copied him
from me wasn't she
mean. Francis H.
wanted to take me home

Mr Bryan Harrison
Anglers Inn
Arizona

but I had already promised
Tommy I was real sorry
to miss that nice
ride home.

Fran and I went up to
Mrs Hiligass' last night.
I played while the
rest of us sang there
was several others there
besides us.

Well dear how have
you been enjoying
yourself. I sure was
glad to get your ~~two~~
letters today. Did
you say you would
not be able to come
up here until next
Sat., gee but that is
a long ways off.

Say Evelyn tells me

that your chest has
been hurting you
where you hit it against
the bridge. I sure am
sorry I hope it soon
gets well maybe if
you put some liniment
on it it may feel
better. I wish you
were here to night
It seems like an awfully
long time since I saw
you last.

I meant to tell you
the other night that
Francis took Avis too
to the dance, but I
guess he will not
be taking her again
very soon as they have
stopped going together

have been along.

We went all through the bridge again and had lunch at Mrs Good fellows we didn't come home until about 5:30.

I sure do like Evelyn she was up to the house Fri afternoon and stayed for supper and had quite a nice little time.

Well as I am sleepy and I don't know of any thing else to tell you and have written an unusually long letter for me, I will say good night
With love
D.

P. S. The men started
on our new house
again this morning
I sure am glad
hope they finish
it this time
