

Payson Ariz.

Oct-1-16.

My dear Boy:-

See dear when I read
in your letter yesterday
what Grady said it
made me so mad I
could have spit fire
and I have not quite got
over it yet. I didn't see
Grady yesterday at all
and as they started
early this morning so
I wont him for a week
maybe by that time I
will feel better. If he
didn't want to take those
letters why didn't he say
so. I suppose I am
touchy but it hurt to

Mr Bryan Harrison
Globe.

Arizona

have him say that.

Oh! well I suppose we should
worry but I think when
his two weeks vacation is
up I will continue to send
my letters through the
mail.

I went to the dance
last night and had quite
a nice time I stayed
untill the dance broke
up and Robert Holder
brought me home
and listen I only had
six dances with Loyle
Gibson I dont know what
has got in to him lately
asking me for so many
dances. Frances and
Harley have stopped for

good I guess and I think
the little school marm
is the cause of it all
if you dont watch out
you will be out as both
Floyd and Harley are
sticking around pretty
close.

See but I feel lonesome
and blue to day I am
home all by my lonly
Kran at the hotel Allie
at the mill and Papa
went out to wash Gibsons
to look at some pigs I
guess he will be back
pretty soon though.

I wish you were here
I would take you for a

make you help me get
supper. I have it all
ready to start. I think
I will go down town
pretty soon Robert said he
would ~~take me to~~ show
me how to sand trot
this after noon if Frances
would play for us.

The wind has been
blowing fierce to day. and
its cold too.

Say dearie I wish you
would have a talk with
Paul I would kind of
like to know how we
stand.

Its sure will be nice for
your mother to be here.
I am anxious to meet her

Do you think your sister
will come too. Well dear
I think I will finish this
later.

Here I am again I just
finished the supper
dishes and am ready to
take the milk down
my supper was real
good, my Papa said
so Papa and I were all
by our selves if you had
been here I would have
given you a nice big
piece of rabbit.

Dearie I wonder if
you would be so kind
as to get me a bolt of
 $\frac{1}{2}$ in sail blue ribbon
I cant get any here and

I need some very much.

See but I wish I could see you soon as there is so many things I want to talk over with you.

I had quite a nice afternoon to day talking to Miss Opie and Miss Howard (the other school teacher) I like them both very much.

I must say good night for this time as it is getting late and I have to take the milk down yet
Lots of love & kisses
as ever

Jo.
