

Payson Ariz.

Oct-3-16.

My dearest Boy.

Its sure is some dreary
day to day the wind is
blowing fierce and it is
quite cool. I didnt get up
thi morning untill
almost nine oclock. lazy,
did you say. Oh no, I'm
not a bit lazy it was
so nice and warm in
bed I hated to get out.
and I did nt get to bed
untill almost eleven
I took the milks down
and Frances got started
playing the piano and
there was about eight
or nine girls and boy. there

Mr Bryan Harrison

Globe

Arizona

so we danced and enjoyed
ourselves immensely.

I wish you were coming
up today dear wouldn't
that be nice. I've been
thinking about so many
things I would like to
talk over with you.

Say dear lets say about the
11th instead of the 10th that
is Sat instead of Fri. I
think that would be
better dont you?

I just finished lunch.
and havent done my
clishes yet See just
listen to the wind.
it sure is blowing. sh.
I hear a machine I wonder
if it is the stage. no

it is nit, it is kind of
late to-day. I guess that
new driver must be slow.

I just got home from down
town and I got a real
nice letter and also
two other letters.

Dearie why didn't you go
to Church when you heard
all that nice nurserie
that is what I would
have done. (maybe)

Sunday night Frances and
I came home early.

I've got them all scared
around here because
they dont dare say any
thing that is nit nice
to me because I wont give
them any thing to eat

the cause.

I have not seen the guy in Grady's place yet. I think it is a — luck too that you could not come ~~not~~ come up here. Gee whizz but Mr Dry sure can talk. I sure hope your plans turn out right dear you will take two weeks off will you not. tell Paul to have a heart.

How in the world did you happen to have the whole amount of 15¢ be sure and don't tell any one or you might get held up and robbed of all that money it is not safe to have so much

if they dont treat me
good. Mr Ivy was here
for lunch to day and he
was trying to tell me
that I should try and
get along with him I
told him nothing doing
that he should try to
get along with me. if he
wanted any thing to eat.
he is going to be here for
dinner to night and
that reminds me I must
go see how dinner is
getting along. Dinner is
all right so I shall proceed
with my letter Mr Ivy
is sitting here talking
to me so if I dont write
just straight you know

money about I would put
it in the bank if I were
you. Well dear I will
have to quite or they will
think I am never going
to bring the milk down
to night Pleasant dreams
Lots of love & kisses
Jo.
