

Payson Ariz
Oct-5-16.

My dear:-

Now maybe you think I didn't work yesterday. I put out a quadr big washing all by myself. I was going to iron this afternoon but Frances wants me to come down and help her so I wont iron untill tomorrow. I sure dont like the job of being wash woman.

I ee I wonder if it is going to rain it is trying to thunder and the wind is still blowing my but the night are

Mr Bryan Harrison
Roosevelt
Arizona

getting dreadfully cold now.

Mrs Lowthian said she saw you at the Inn and you looked awfully cute in that jimper suit of yours.

I have been wondering ever since I got your last letter what Paul had to say to you. You tell him I have a good muscle and there will be war in camp if he dont treat you right.

and also tell him that I have a very sweet disporion with a very sweet temper and he had better watch out. I really believe it is going to rain it is getting darker and darker every minute and the

thunder is getting a little louder right along oh! gee that crash was pretty loud. I was thinking a little while ago that I would like to be up on the hill but I have changed my mind now. well I will write more this afternoon after I get your letter and I have to get lunch now. Did I say I thought it would rain well it is not it is just pouring down hail I reached out and got a nice hand full.

Papa said there was quite a heavy frost last night so no wonder it

was so cold. gee there
is some more thunder.

The mail just got in
and I want to go down
town and I cant because
it is still raining and
I dont think I will be
able to cross the meadow
if I thought I could cross
that all right I would
go down rain or no rain
d — it any way it
makes me mad.

I wonder how my boy is
making it and if he
is getting some nice
rain down his way too
I hope not. gee the sky
is grumbling again I
wish this rain would stop.

for an hour or two and
I also wish Fran would
send some body after
me in a machine say
dearie send me up a pair
of high rubber boots right
away quick will you
that would suit me
well & a machine coming
after me if you can get a
pair of seven league boots
why all the better then
I could come down and
see you in ten or fifteen
minutes did you say
have I got my right senses?
oh yes I think so. or maybe
it was a passing spasm
I get them once in a while
you know.

Oh gee it has almost
stopped raining, nimitake,
it is starting in again.
I think I will have to find
some one to take me down
to Globe as a crown on
one of my teeth is loose
and I'm afraid might
come off I don't see why
thi didn't happen when
~~one~~ that dentist was up
here but I, ^{guess} such is life.
in Payson. (still raining)
would I live in Payson all
my life, never.

I cant think of any thing
else right now except
that it is still raining
so I will finish this
later.

I just this minute finished
reading your letter Papa
went down and got the
mail. I suppose I did
surprise you I thought
Grady was joking but it
hurt just the same. I
have just about forgotten
it so will not say any
more about it.

I sure will come down
if I can for I want to
see you too.

Now dearie you neednt
be jealous of any of those
boys for I would much
rather have you but
you see I cant come home
by my self of course
Fran is always with

me but I dont like to
butt in with her all the
time ~~Ernest~~ ^{Ernest} Peeper took her
home the other night
and it would have been
awful if I had not had
company too. Now my
dear I think you have the
best of it because when
you take the girls out
you have them all to
your self but I dont
have the fellows all to
my self Gran is always
right near. but never
mind dear Now will
be here be fore you know
it and then —

Dinner is about ready
so I must quit I think

I have written quite a long letter this time.

I wish you were going to be here to night.

Is nit Lottie and the kids out at the Inn yet? ~~or~~ or is she going in when Paul does.

What do you know about it it has acually stopped raining.

I must stop for this time.

Lots & Lots of Love & Kisses

Yours.

Jo.

P.S. I forgot to tell you that
