Dearest

Talk about hail
my gracious but it
sure did hail this
noon the ground was
white there is still
some in the corners
this evening I never
saw it last so long
and the hail was as
big as marbles.

It rained almost all
after noon and the
creek was so high
that I never would
have been able to
take the milk down
if Francis had not

Mr Bryan Harrison
Roosevelt
Arizona

been so kind as to
come up in his car
and get me.

Here I am again my
dear. So you think
Mr Goddard is quite
nice after all. I told
you he was a long
time ago but you
wouldn't believe me ^{mother}

Dearie thank you
very much for that
candy it is awfully
good you are a dear
sweet boy and I love
you, so there. only
I wish you were here

I'm awfully glad
dear that Paul has
been so nice to you

that was real sweet of
him to give you that
raise.

Dear if we come down
to Globe we wont be able
to come untill the 27th
as Fran will not be
able to stay away so
long Mrs Lowthian
dont like the idea of
her going at all so if
we come down we
will be able to spend
Sunday with you any
way... and I think that
will be very nice of
course it would be much
nicer to come Wed. but
we cant always do what
we want to.

my cold is not entirely
well yet but much better
thank good ners.

I went to the dance
last night and there
was the whole amount
of 4 couples believe me
we didn't stay long
I stayed all night with
Frances and was at
the hotel untill
about half past five
this evening Fran
sure had me working
I was busy helping
her almost all day.

See dear the 27th seems
like it is getting further
away every day instead
of nearer.

Allie is in from the mill for a couple of weeks I hope he is here for three weeks any way.

I dont know of any thing else to tell you dear except that there is going to be a big dance up here Tues. and they are going to have a three piece orchestra just think of that is it it wonderfull. I dont think there is any doubt about my going. This is all for this time dear

lots of love and kisses
Do.

P. S. Dear will you
please send up two
more bottles of
mexated iron Papa
is taking it now
he thinks it is
helping him a lot
lots of love
D
