

Payson Ariz.

Oct - 16

Dearest. —

It seems so funny
just lately every time
I go to start a letter
I just catch myself in
time to keep me from
putting Sandiego
instead of Payson.

I just got home from the
dance had a pretty good
time I was kind of tired
though. I did a nice big
washing today.

I am staying all night
with Fran or rather half
the night as it is almost
1 o'clock now I just now
looked the clock and it
says 1-25 I didn't think

Mr. Bryan Harrison
Roosevelt
Ariz.

it was quite that late.

Dear I sure would like
to go through that mine
but Fran says it is
impossible to be gone
so long so I guess we
will have to say the
27th. I wish it was
to morrow. Its been an
awful long time since
I saw you last hasn't it
I wonder how her highness
happened to go in with
you. is Paul still at
the Inn.

Well dearie I am awfully
tired and sleepy so will
try and write some more
in the morning.

Here I am again
sitting in the kitchen

I've been helping Fran
she sure had a crowd
this a.m. and I
guess there will be
more later.

Dearie I'm not
going to write much
this time I just can't
think of any thing
to write and it is
getting late and I
don't want to miss
the stage.

By by dear for this
time lots & lots of love & kisses
as ever your
Jo.
