My dearest,

My gracious but you sure had some crowd going in with you that trip didn't you. I wonder how many you will have when I come in. I suppose about a dozen.

I stayed all night with Evelyn last night she didn't want to stay up in her little house all by herself. it isn't finished yet but it looks quite cute she sure is glad to be up there.

PAYSON,

Mr Bryan Harrison,  
Roosevelt,  
Arizona.

Gee but I feel quite  
cross to night I dont  
know why either.

I dont think I would be  
cross though if you  
were here.

I got a letter from my  
cousin Frankie the  
other day and she  
said to tell you hello.  
she also told me that  
an Aunt and cousin  
of ours was there for  
two weeks from  
Chicago I sure would  
have liked to of seen  
them.

Dear I wish Sat. 27<sup>th</sup>  
was not so far off.  
it seems an awfull

long way off. I wonder  
if you had another  
talk with dear brother  
Paul and I also wonder  
what he had to say.

Have you heard when  
your mother and  
sister are coming?

I don't know of any thing  
else to tell you dear.

I suppose you know that  
those two Hudsons got  
set free. they were  
guilty all right there is  
no doubt about that.

I have heard too much  
up here to believe  
differently.

Well dear I must do  
my dishes and then

take this letter down  
and mail and also  
go up and see Evelyn  
for a few minutes  
so will say by by  
for this time will try  
and write a longer  
letter next time.

Lots of love + kisses

Josephine

I was just up to see  
E. & S. and Grady said  
that you wrote a letter  
last night now I wonder  
if that letter was for  
me and if it was why  
didn't I get it.

I had to laugh at Grady  
he said "See I didn't  
bring you a letter today"

just as though he was the  
one that had forgotten it  
so I eased his mind a bit  
by telling him I got one  
through the mail.

What do you know about  
it there is a party to-  
night and I'm not  
going. I'm going to be  
real good and go right  
home and go to bed I'm  
awfully sleepy.

Good night dear pleasant  
dreams don't dream that  
I'm sick and more. I  
had a nice dream about  
you the other night.

Lots of love.

Jo.
