

Payson Ariz.
Sept. 4, 1916.

Dear -

I feel awfully lonesome
to night so thought I
would write you a few
lines and then write
some more after I get your
letter tomorrow.

Papa and I had a real
nice talk this afternoon
in fact it is the first
talk we have had
about you he said I
didn't give him my
confidence so he felt
as though I didn't
want his he felt a
little hurt because you
never said a word to

to him. but he said he
could make allowances
he also said that he
liked you fine and
thought you were
a nice fellow This
is all I will tell you
of our talk now but
dearie there is a lot
I want to talk over
with you when I see
you. I sure wish
you were here to night
I will have to tell you
the dream I had last
night believe me
some dream too
I dreamt that F. Lloyd
Gardner proposed to me
and I excepted him over

and the funny part of
it was I was still
engaged to you and
had no intention
of marrying Floyd but
still I accepted him
and said we would
be married some time
next month what
do you think of that
Floyd took Har and
I to church last night
I suppose that is why
I dreamed about him
Well dear I think
I will say good night
Pleasant dreams
dear heart I will
finish this tomorrow

Well dear here I am
again I just got home
from down town.

Gee dearie I am so
sorry to hear of you
losing that money
I can just imagine
how you feel about
it but we will hope
that it turns up
are you going to advertise
What did Dunny have to
say about it.

So you had a couple
of ladies in the front
seat with you again
and you think I am
going to lose out well
it is alright if you are
satisfied.

Evelyn and I are planning
on coming down a
week from to morrow
I hope nothing turns
up that we cant come
now dear you must not
get curious because my
plans may not turn out
right so please dear
just forget about it.

I got a real nice letter
from one of my cousins
today and I will have
to let you read it
some time. I think
my cousin Frankie and
his young man are
getting quite serious
from the sounds of
Loves letter today.

Dearie I am going to ask
you to do me a favor
I want to know if you
will get some music
for me. I have there
written on a piece of
paper enclosed.

I have to go help Fran
get supper now so
if I think of any thing
later I will tell you.

Enclosed you will find
\$1.50. we have no idea
how much the music
will be but if it is
more why you can let
me know. I hope it
wont be very much
trouble.

I am awfully sorry dear

Last night the wind
was blowing so hard
and it felt like rain
so I ran and I brought
our bed in side but
it didn't rain a bit.

The wind is starting
up again now.

Frances is having quite
a time with her cold so
I guess we will sleep
in again to night.
my cold is on the road
to getting well thank
goodness I think I
will be well by next
Wed.

I wonder if you can
read this awfull
scribble I doubt it.

that you are not feeling
very good I do hope you
are not trying to get a
cold. I dont believe dear
I can think of any thing
more to write except
that I have to take the
milk down and all by
myself too I ~~wish~~ wish
you would come help
me.

Darn it any way I wish
you were here.

Well good night dear
I hope you find that money
lots of love and kisses
as ever your Jo.
