

Payson Ariz.
Sept. 19, 1916.

Dearest,

I got home safely
about 12-30. I could
hardly keep my eyes
open I was so sleepy.

Grady shot the whole
amount of our rabbit
a nice little fellow

I just wiped Harleys
pen it writes fine don't
you think so.

Say do you know I
heard about you taking
Miss Opie out rowing
very shortly after I
got here. I have only
gotten a glimpse of her
so far she looks much

different from what I expected.

I got stung on the arm with a nasty old yellow jacket this afternoon and it still stings my arm is nicely swollen.

Do you know that the 10th of Nov. comes on a Fri. which is seven weeks and 3 days from now. —

See dear why didn't you come to pay on with me. How do you feel to day did you have any passages this morning.

I can't think of any thing to tell you dear

except that I wish you
were here with me
to night I think I
will look over that
other letter and may
be I might put it in
with this I will have
to think it over though
first. I will say
good night for ~~first~~
this time dear

I hope you have real
pleasant dreams and
I also hope you enjoyed
your trip in to day
and that you are having
a good time to night
lots and lots of love & kisses
as ever
Jo.
