

Payson Ariz.
Sept. 21-16.

Dearest:-

I just finished lunch
had some fried
squirrel it was real
good too Allie brought
them down from
the mill he is going
to be here for a while
as Papa needs him

What do you know
about it dear there
is a circus in town
theyve got some bears
and monkeys and
some ponies I dont
know what else
one of the women
came up this a.m.

Mr Bryan Harrison
Anglers Inn
Arizona

with a monkey and
said she would
make it dance if
we would give her
some potatoes so we
did it sure was
funny to watch the
monkey.

Grady just now went
by so I guess I will have
to go down after my
mail pretty soon

Deedar I guess it dont
agree with me to go
down to Globe I
have felt so cross
and lonesome since
I've been home that
I dont know what to
do. I think I will

stop now and write
more later.

My poor dear boy. Its
a shame Paul cant
leave you boys alone
I wouldnt pay any
attention if I were you
cant you just let it
go in one ear and out
the other I know it
is awfully hard to
do some times just
think dear that it
cant last forever
Is Lottie coming out
to the Inn to D?

I sure would like to
see you to night
dear Its funny but it
seems more than

three days since I
saw you. I wish I
had a flying machine
believe me I would
make good use of it.

Last night I took
the milk down and
Evelyn, Floyd and
Miss Lovell walked home
with me. Right by our
fence is an apple tree
which belongs to
Piepers and we all
stopped and swiped
some green apples
you ought to have seen
us climbing through
the wire fence
Francis is making some
sauce out of them

for supper to night
Well dearie I think I
had better stop now
and write a letter to
mother she wanted
me to ans. her letter
right away so by by
for this time my
dearest boy.

lots + lots of love
as ever your
Jo.
