hi.

the answer to the question is that they are all either mine or Walter Lang's.  
In either case you have permission to use them, I am sure.  
ken (actually, pat. I was at the computer and read the mail to ken who is

Dear Dale:

Enclosed are some good  
slides relating to Texas A&M  
from 1950-1957. Please add  
them to your collection. You are  
welcome to do whatever you wish  
with them.

Finished up my work with  
Census. It was good fun to be  
back in the workforce again

Best wishes to Virginia and  
your family

Ken
